

Nu tändas tusen juleljus Text Emma Köhler

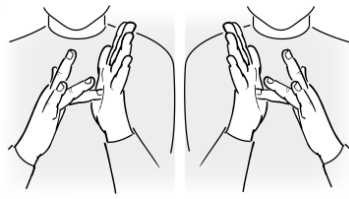

går julens

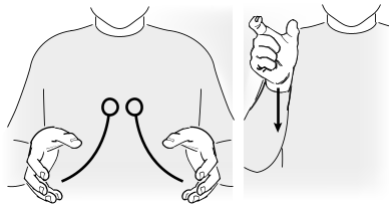

glada bud,

att född är Herren

Jesus Krist,

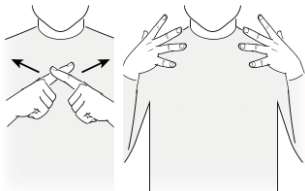

vår Frälsare

och

Gud.

Du stjärna

över Betlehem,

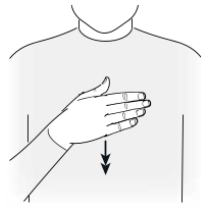

o, låt ditt milda ljus

få

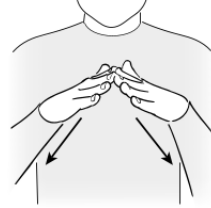

lysa

in med

hopp

och

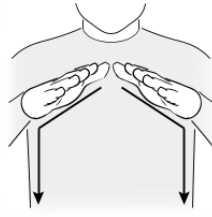

frid

i varje

hem

och

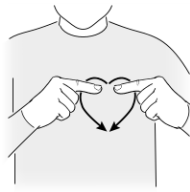

hus!

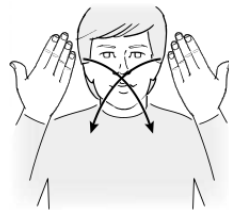

I

varje

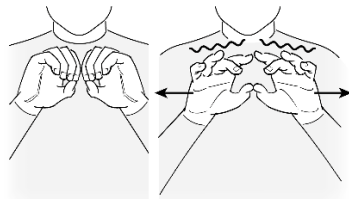

hjärta

armt och

mörkt

sänd du en

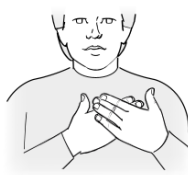

stråle

blid,

en stråle av

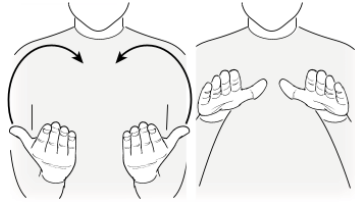

Guds

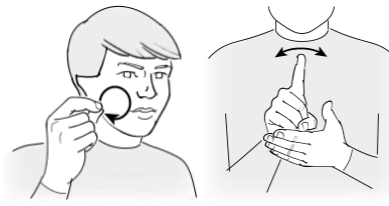

kärleks

ljus

i signad

juletid!
